VISA REQUIREMENTS	Valid visa should be obtained prior to your visit, please note: if the period issued on your visa is exceeded, a fine of R500.00 per day will be charged of everyday overstayed.
DRIVING LICENCE REQUIREMENTS	Current driver's license or International driver's license (a Mozambican driver's license is required if staying for more than 6 months)
GENERAL RULE OF THE ROAD	Driving is on the left hand side. The transit laws in Mozambique require that seat belts are worn at all the times and all vehicles must have two emergency triangles (fines are currently under review). The speed limit is 70Km/h on open roads and 40Km/h in cities and towns.
GENERAL ROAD CONDITIONS	Main roads are tarred and in reasonable condition but if travelling on gravel roads you may require four wheel drive. Never drive off-road, there many remaining land mines left from the civil war.
DOCUMENTATION FOR ENTRY OF FOREIGN REGISTERED VEHICLE	Vehicle Registration Documents. Valid Temporary Vehicle Import papers available at the border (only DA341 form). Compulsory Third Party Liability Insurance Certificate.
FUEL	It is best to keep your tank filled as the distances between filling stations can be great and try to drive during day time hours when there is less chance of accidents.
